

Statement of Deficiencies	(X1) Provider/Supplier/CLIA Identification Number 02D0708909	(X3) Date Survey Completed 03/29/2018
Name of Provider or Supplier Dena'Ina Wellness Center	Street Address, City, State 508 Upland Street, Kenai, AK	
For information on the provider's plan to correct this deficiency, please contact the provider or the state survey agency.		

(X4) ID Prefix Tag	Summary Statement of Deficiencies
D2016	SUCCESSFUL PARTICIPATION CFR(s): 493.803(a)(b)(c) (a) Each laboratory performing nonwaived testing must successfully participate in a proficiency testing program approved by CMS, if applicable, as described in subpart I of this part for each specialty, subspecialty, and analyte or test in which the laboratory is certified under CLIA. (b) Except as specified in paragraph (c) of this section, if a laboratory fails to participate successfully in proficiency testing for a given specialty, subspecialty, analyte or test, as defined in this section, or fails to take remedial action when an individual fails gynecologic cytology, CMS imposes sanctions, as specified in subpart R of this part. (c) If a laboratory fails to perform successfully in a CMS-approved proficiency testing program, for the initial unsuccessful performance, CMS may direct the laboratory to undertake training of its personnel or to obtain technical assistance, or both, rather than imposing alternative or principle sanctions except when one or more of the following conditions exists: (1) There is immediate jeopardy to patient health and safety. (2) The laboratory fails to provide CMS or a CMS agent with satisfactory evidence that it has taken steps to correct the problem identified by the unsuccessful proficiency testing performance. (3) The laboratory has a poor compliance history. This CONDITION is not met as evidenced by: Based on review of proficiency testing records, the laboratory unsuccessfully participated in proficiency testing (PT) for the specialty Endocrinology, and the Thyroid Stimulating Hormone analyte. See D2017
D2107	ENDOCRINOLOGY CFR(s): 493.843(f) Failure to achieve satisfactory performance for the same analyte or test in two consecutive testing events or two out of three consecutive testing events is

unsuccessful performance.

This STANDARD is not met as evidenced by:

Based on review of proficiency testing records, the laboratory failed to achieve satisfactory proficiency testing performance for the specialty Endocrinology and the Thyroid Stimulating Hormone (TSH) analyte in two of three testing events. Findings:

1. The laboratory is subscribed to the American Proficiency Institute Chemistry Core proficiency testing program. 2. The laboratory received the following scores:
Endocrinology: 2017 Third Testing Event: 66% 2018 First Testing Event: 40% TSH:
2017 Third Testing Event: 0% 2018 First Testing Event: 0%
