(X4) ID Prefix Tag	Summary Statement of Deficiencies
D0000	<p>A Certification survey was conducted on August 30, 2019 at Tulane Dermatology, CLIA ID # 19D1093316; however, Provider Performed Microscopy Procedures (PPM) and waived testing only are being performed by the laboratory. Surveyor observed on August 30, 2019 at 9:08 am no evidence of high complexity testing currently being performed. Surveyor further observed the laboratory's patient log book that indicated the last Mohs case was on December 10, 2018. In interview on August 30, 2019 at 9:08 am, Personnel stated the facility had not performed Mohs testing since December 2018. Personnel further stated in the future the laboratory may restart Mohs testing; however, unknown when that may occur. The certificate type is being changed to Certificate for Provider Performed Microscopy Procedures.</p>
