

Statement of Deficiencies	(X1) Provider/Supplier/CLIA Identification Number 21D1107054	(X3) Date Survey Completed 08/14/2024
Name of Provider or Supplier Annapolis Pediatrics	Street Address, City, State 1630 Main Street, Chester, MD	
For information on the provider's plan to correct this deficiency, please contact the provider or the state survey agency.		

(X4) ID Prefix Tag	Summary Statement of Deficiencies
D2016	<p>SUCCESSFUL PARTICIPATION CFR(s): 493.803(a)(b)(c)</p> <p>(a) Each laboratory performing nonwaived testing must successfully participate in a proficiency testing program approved by CMS, if applicable, as described in subpart I of this part for each specialty, subspecialty, and analyte or test in which the laboratory is certified under CLIA. (b) Except as specified in paragraph (c) of this section, if a laboratory fails to participate successfully in proficiency testing for a given specialty, subspecialty, analyte or test, as defined in this section, or fails to take remedial action when an individual fails gynecologic cytology, CMS imposes sanctions, as specified in subpart R of this part. (c) If a laboratory fails to perform successfully in a CMS-approved proficiency testing program, for the initial unsuccessful performance, CMS may direct the laboratory to undertake training of its personnel or to obtain technical assistance, or both, rather than imposing alternative or principle sanctions except when one or more of the following conditions exists: (1) There is immediate jeopardy to patient health and safety. (2) The laboratory fails to provide CMS or a CMS agent with satisfactory evidence that it has taken steps to correct the problem identified by the unsuccessful proficiency testing performance. (3) The laboratory has a poor compliance history.</p> <p>This CONDITION is not met as evidenced by: Based on review of the federal report for unsuccessful proficiency testing (PT) results and review of the performance evaluation report from American Proficiency Institute (API), the laboratory failed to successfully participate in the API PT program for bacteriology, in which the laboratory is certified under CLIA (D2028).</p>
D2028	<p>BACTERIOLOGY CFR(s): 493.823(e)</p> <p>Failure to achieve an overall testing event score of satisfactory performance for two</p>

consecutive testing events or two out of three consecutive testing events is unsuccessful performance.

This STANDARD is not met as evidenced by:

Based on review of the federal report for unsuccessful proficiency testing (PT) results and review of the comparative evaluation report from American Proficiency Institute (API), the laboratory failed to achieve an overall testing event score of satisfactory performance for two consecutive testing events. Findings: 1. The laboratory received unacceptable results for throat cultures in two consecutive PT events: a. 33% in the 2024 2nd PT Event b. 67% in the 2024 1st PT Event

D6000

MODERATE COMPLEXITY LABORATORY DIRECTOR
CFR(s): 493.1403

The laboratory must have a director who meets the qualification requirements of 493.1405 of this subpart and provides overall management and direction in accordance with 493.1407 of this subpart.

This CONDITION is not met as evidenced by:

Based on review of the federal report for unsuccessful proficiency testing (PT) results and review of the comparative evaluation report from American Proficiency Institute (API), the laboratory director failed to ensure an approved corrective action plan was followed when bacteriology results were found to be unsatisfactory (D6019).

D6019

LABORATORY DIRECTOR RESPONSIBILITIES
CFR(s): 493.1407(e)(4)(iv)

The laboratory director is responsible for the overall operation and administration of the laboratory, including the employment of personnel who are competent to perform test procedures, and record and report test results promptly, accurate, and proficiently and for assuring compliance with the applicable regulations. (e) The laboratory director must-- (e)(4)(iv) Ensure that an approved corrective action plan is followed when any proficiency testing results are found to be unacceptable or unsatisfactory.

This STANDARD is not met as evidenced by:

Based on review of the federal report for unsuccessful proficiency testing (PT) results and review of the comparative evaluation report from American Proficiency Institute (API), the laboratory director failed to ensure that an approved corrective action plan was followed when bacteriology results were found to be unsatisfactory in the 2024 1st PT event. Findings: 1. The laboratory failed to achieve satisfactory performance for throat cultures in two consecutive PT events (cross-refer to tag D2028): a. 33% in the 2024 2nd PT Event b. 67% in the 2024 1st PT Event
