<p>(X4) ID Prefix Tag</p>	<p>Summary Statement of Deficiencies</p>
<p>D0000</p>	<p>. The M Health Fairview Clinics and Surgery Center laboratory was found to be out of compliance with the regulations of the Clinical Laboratory Improvement Amendments of 1988 (42 C.F.R. part 493) upon completion of the recertification survey performed on December 20, 2024. The following standard-level deficiency was cited: 493.1413 Technical consultant responsibilities .</p>
<p>D6054</p>	<p>TECHNICAL CONSULTANT RESPONSIBILITIES CFR(s): 493.1413(b)(9)</p> <p>The technical consultant is responsible for evaluating and documenting the performance of individuals responsible for moderate complexity testing at least annually, after the first year.</p> <p>This STANDARD is not met as evidenced by: . Based on document review and interview with laboratory personnel, the Technical Consultant failed to ensure one of nine testing personnel was evaluated for competency for two of two microscopic examinations at least annually in 2023. Findings are as follows: 1. The laboratory performed microscopic examinations for fungus and parasites as confirmed by Testing Personnel 1 (TP1) during a tour of the laboratory at 1:03 PM on 12/20/2024. 2. Testing Personnel 3 (TP3) was listed on the Laboratory Personnel Report (CLIA) as performing moderate complexity microscopic examinations. 3. Competency assessment was required annually for all providers performing microscopic examinations as established in the KOH and Ectoparasite procedures provided by the laboratory. 4. Annual competency assessments for microscopic examinations were not found for TP3 during review of 2023 MTS training and competency reports provided by the laboratory. The laboratory was unable to provide 2023 Competency Assessment documents for TP3 upon request. 5. TP3 performed nine fungal examinations and no parasitic examinations in 2023 as indicated in the PPM Testing Log found in the PPM Test</p>

Logs manual. 6. In an interview with TP1 at 2:30 PM on 12/20/2024, TP1 confirmed the above finding. .
