| D5209 | <p>PERSONNEL COMPETENCY ASSESSMENT POLICIES CFR(s): 493.1235</p> <p>As specified in the personnel requirements in subpart M, the laboratory must establish and follow written policies and procedures to assess employee and, if applicable, consultant competency.</p> <p>This STANDARD is not met as evidenced by: Based on review of the competency records, policy, & interview with the Histotechnologist, the laboratory failed to establish written policies and procedures to assess competency for 2 of 3, Technical Supervisors and 2 of 3 Clinical Consultants from (08/29/2019) through the date of the survey (12/17/2021). Findings: 1. At the time of the survey, the Laboratory could not provide written policies and procedures to assess Clinical Consultant, & Technical Supervisor competency. 2. A review of the competency assessment records revealed there was no documentation of supervisor competency from (08/29/2021) through the date of the survey. 3. During the survey at (11:45 12/17/2021), the Histotechnologist confirmed the above findings.</p> |
