This STANDARD is not met as evidenced by:

Based on an interview with the histotechnician and review of education records, the laboratory failed to employ qualified personnel to perform gross examinations for high complexity histopathology testing since the last survey performed on 2/27/2024. Findings include: 1. Review of education records for three of seven testing personnel revealed educational requirements were not met for high complexity grossing examination in histopathology testing. 2. During an interview with the histotechnician on 3/26/2025 at approximately 11:55 a.m. it was confirmed personnel did not meet the high complexity educational requirements for grossing histopathology specimens.
